Description: A journey through New Zealand with pictures, videos, music and live commentary
Caribbean beaches, Scottish highlands, Norwegian “fjords,” tropical rain forest and high mountain scenery – does it all fit into one country? Yes, it does. In fact, New Zealand offers even more: active volcanoes, geysers, hot and cold lakes, strange birds, relaxed people and lots of sheep.

We’d love to show you our favourite spots on both North and South island! Come along and join us!

If you like, you can get a first impression by reading our New Zealand Trip Description (<http://www.steinundkraut.de/neuseeland>, in German).

(The presentation is open to the general public and therefore will be in German. However, the presenters are GEA members fluent in English.)
